Magic School

👁 54 ✓ 1 ★ 3

Chapter 1 by Dustin

Travis walked to school. He couldn't wait to talk to his friend, Jack. He had this interesting dream last night about a magic school. As he walked through the doors to enter school, he felt a push. Then a pull. Then there was a flash of light, and the world stopped.

Then it was fine.

The school looked normal, so he walked to his locker. Travis wondered if there was magic in the air, because that was COOL! But when he opened his locker, it was empty.

Then the bell rang.

Green smoke poured from the ceiling. People nearby ran for their lives. One boy got a lungful of smoke. Then he screamed. As Travis looked, his hand looked like it swelled up, but then Jack saw the whole boy do the same. He was growing into a giant!

Travis didn't need to see any more. He ran to the nearest room.

Chapter 2 by Dustin

Travis ran to the nearest room. It was the history teacher's room. Travis relaxed. This was a nightmare! A very, very, very bad dream.

A dream!
